# INTRODUCTION

## Introduction of Department:

The Department of Special Education was established at the University of Karachi in 1988. The department offers a regular program of studies in Special Education at the graduate as well as the postgraduate level for the students who intend to serve the Special Need of the Community. During the course of studies, students are taught skills required to teach Special Children who are Mentally Retarded, have Impaired hearing, Visually or Physically Handicapped and disable to Learn under normal circumstances.

Many distinguished scholars have contributed to the fame and luster of the Department. Professor Dr. Ismail Saad was the founder chairman of the Department. He was instrumental in placing the Department on solid foundation during his chairmanship from 1987 to 1996. Initially, the Department was established as a baby of the Ministry of Special Education and Social Welfare Islamabad. Later the Department was adopted by the University of Karachi as a regular Department of the University in 2000.

The programs offered by the Department since its inception are Diploma in Special Education, Masters in Special Education, B.A. (Hons.) in Special Education. The Department offers the following programme:

- BS 4 – Years (8 Semester), BA Honors 3 Years (6 Semesters), MA 2 Years (4 Semester)
- MS / M.Phil
- Ph.D.

Since 1988 to date, the Department has produced 25 PhDs in the subjects of Education and Special Education. Presently also many students are in process of completing their MS / M. Phil. / Ph.D. research work through the Department. In the list of the Ph.D.'s awarded by the Department, the name of five teachers of the Department is prominent as well as many others serving in other Universities of the Country.

Teaching in the Department is planned on most modern teaching methods. Besides, lecture method, demonstration, discussion and classroom participation is also encouraged. The teachers keep developing by attending national and international trainings as well as conference.

Department maintains close relationship with public and private organizations like Government Social Welfare and Education Department as well NGO's in the city. It also has liaison with Punjab University, Allama Iqbal University and many other Universities in the Country.

Special Educators are playing a vital role in the teaching system of the country. Graduate from the Department are employed throughout the Country while some are working abroad too.

The Department plans to develop an Institute of Special Education and Research targeting towards developing future experts in the field of early intervention, behavior modification, counseling and guidance, assessment and rehabilitation etc.

**Prof. Dr. Shahida Sajjad**  
(Chairperson)  
Department of Special Education  
University of Karachi

## **CRITERION -1**

### **PROGRAM MISSION, OBJECTIVES AND OUTCOMES**

## **CRITERION-1: PROGRAM MISSION, OBJECTIVES AND OUTCOMES**

### ***The mission of the programme (MS in Special Education):***

To train competent, ethical, research oriented and passionate professionals in the field of special education with the frontier of knowledge, reflective professionalism and socio-educational reforms.

**Standard 1-1: The Program must have documented measurable objectives that support College and Institution mission statements.**

### **Aims and Objectives of MS Programme in Special Education are:**

MS Program is designed:

1. To train knowledgeable, competent and research oriented teachers in the field of special education.
2. To assess and diagnose various developmental or acquired disabilities in children.
3. To provide rehabilitation services to children having developmental or acquired disabilities enabling them to live an independent and decent life.
4. To design and implement curriculum for children with special needs.
5. To conduct research in the area of special education and develop recommendations for the welfare of special children.
6. To provide community based services of highly professional standards to the persons with disabilities
7. To develop leadership skills in students as future administrators in the field of special education.

**Table: Program Objectives Assessment (MS)**

***Table: Program Objectives Assessment (MS)***

S.No.	Objectives	How Measured	When Measured	Improvement Identified	Improvement Made
1.	To train knowledgeable, competent and research oriented teachers in the field of special education.	<ul style="list-style-type: none"> <li>• Employer's Opinion Survey</li> <li>• Students Survey</li> </ul>	2011	Deficiency to link theory and practice.	<ul style="list-style-type: none"> <li>• Books by local writers are needed to give theoretical knowledge related to Pakistan</li> <li>• More practical work is needed.</li> </ul>
2.	To assess and diagnose various developmental or acquired disabilities in children.	Employer's Opinion Survey	2011	Lack of judgment as work skills	Problem oriented questions and case studies are included in different courses.
3.	To provide rehabilitation services to children having developmental or acquired disabilities enabling them to live an independent and decent life.	<ul style="list-style-type: none"> <li>• Department is working in collaboration with other NGOs on rehabilitation of persons with disabilities</li> <li>• Course evaluation</li> </ul>	2011	Enhanced circle to collaborate with more NGOs.	Meeting with NGOs to identify resources needed by them.
4	To design and implement curriculum for children with special needs.	<ul style="list-style-type: none"> <li>• Employer's Opinion Survey</li> <li>• Students Survey</li> </ul>	2011	Deficiency to link theory and practice.	<ul style="list-style-type: none"> <li>• Books by local writers are needed to give theoretical knowledge related to Pakistan</li> <li>• More practical work is needed.</li> </ul>
5.	To conduct research in the area of special education and develop recommendations for the welfare of special children.	Course Evaluation	2011	Individual and group research conducted but still more areas need to be explore for further research.	Better quality of research work and more areas can be explored for future projects.
6.	To provide community based services of highly professional standards to the persons with disabilities.	<ul style="list-style-type: none"> <li>• Course Evaluation</li> <li>• Projects on Community based services were conducted.</li> </ul>	2011	Parents need more involvement.	Parents were personally called and invited to participate in CBR Projects.
7.	To develop leadership skills in students as future administrators in the field of special education.	Employer's Survey	2011	Lack of leadership skills.	Seminars arranged to enhance leadership skills.

**Standard 1-2: The program must have documented outcomes for graduating students. It must be demonstrated that the outcomes support the program objectives and that graduating students are capable of performing these outcomes. PROGRAM OUTCOMES: MS. (Special Education)**

Students of the Department of Special Education continue to enter a variety of educational, vocational and rehabilitation fields. Many are speech pathologists, audiologists, and teachers in different special education centers for mental retardation, physical handicap, hearing impairment, visual impairment, and learning disability" The graduates of the department get jobs in schools, hospitals, institutes, rehabilitation centers, directly or indirectly serving special need children.

**Standard 1-3: The results of program's assessment and the extent to which they are used to improve the program must be documented,**

**a) Actions Taken**

The result of the process is in hand and plans to revise curriculum, enhance infrastructure, furniture & fixtures, staff development etc is being developed.

**b) Strengths and Weaknesses of the Program**

**i) Strengths**

1. All Faculties have a Ph.D. Degree in the relevant budget.
2. Department is offering BS, MS, Ph.D. Programs.
3. The Department has benefited from foreign faculty hiring scheme.
4. Department acts as Resource Center for NGO's and Government organizations.
5. The Department offers internship to the BS final year students.

**ii) Weaknesses**

1. More than half of teachers have retired and there is an acute shortage of teachers so, cooperative teachers are hired to fill the gap.
2. Department is working in Shiekh Zayed Center and needs its own building with an access for persons with disabilities.
3. Poor state of building maintenance specially washrooms.
4. There is no generator and UPS.
5. No internet facility.
6. Surplus non teaching staff.
7. Lack of qualified and experienced head of computer department.
8. Lack of computers, lack of Audiological assessment lab.
9. Lack of computer facility to manage library functions.
10. Lack of Air conditioners to create a comfortable environment for learning

**c) Future Development Plans**

1. To initiate research project with the collaboration of international donor agency.
2. To revise syllabus for B.S. according to the global approach of inclusive education.
3. To enhance quality of Higher education in the department through modern innovative teaching and assessment methods.
4. To provide a platform for person with disabilities for their educacy, barrier from environment and providing equal opportunities in the country.

**Standard 1-4: The department must assess its overall performance periodically.**

a) Student Enrolment

S.No.	Year	MS	Degree (MS) M.Phil	Ph.D
1.	2009	07	----	03
2.	2010	No admission Allowed	----	No admission Allowed
3.	2011	10	----	-----

- b) Student / Faculty Ratio 20/2 (One teacher on leave)
- c) i) Time for M.S. / M.Phil 02 Years  
ii) Time for Ph.D (2Years) 02 Years
- d) Employer's Satisfaction  
Employer's Opinion Survey conducted (survey results is included in report)
- e) Student / Faculty Satisfaction (survey results is included in report)  
Survey Conducted
- f) Research Activities CVs of Regular Faculty Members are included  
in report
- (List of M.Phil/ Ph.D. students is at Annexure- I)

## **CRITERION -2**

### **CURRICULUM DESIGN AND ORGANIZATION**

## **CRITERION-2: CURRICULUM DESIGN AND ORGANIZATION**

### **Program of Studies Offered**

#### **MS Syllabus Course Outline**

##### **A. Core Courses**

711.	Research Methodology I	03 Credit Hours
721.	Research Methodology II	03 Credit Hours
731.	Communication Skills	03 Credit Hours

##### **B. Compulsory Courses**

712.	Statistical Practices in Research	03 Credit Hours
722.	Basic Computer Skills	03 Credit Hours
732.	Writing a Research Paper	03 Credit Hours

##### **C. Optional Courses**

Note: Candidate will select TWO of the following:

742.	Foundations of Special education	03 Credit Hours
752.	Psychological Aspects of Exceptionalities	03 Credit Hours
762.	Curriculum and Instructional Practices	03 Credit Hours
772.	Inclusive Education	03 Credit Hours
782.	Community Based Rehabilitations	03 Credit Hours
792.	Early Intervention	03 Credit Hours

## **Ph.D Syllabus Course Outline**

### **A. Faculty Courses**

811.	Advanced Research Method I	03 Credit Hours
821.	Advanced Research Method II	03 Credit Hours
831.	Advanced Communication Skills	03 Credit Hours

### **B. Courses Offered by Department**

Note: Candidate has to select any Three of the following:

812.	Policy and trends in Special Education	03 Credit Hours
822.	Management and Leadership in Special Education	03 Credit Hours
832.	Contemporary Issues in Special Education	03 Credit Hours
842.	Advanced Computer Skills	03 Credit Hours

## **Second Year**

C. Dissertation	12 Credit Hours.
	<hr/>
	30 Credit Hours

**Standard 2-1: The Curriculum must be consistent and support the program's documented objectives.**

**Table: Program Objectives Assessment (MS in Special Education)**

The following table manifests how the program content (Courses) meets the Program Objectives.

Courses	Objectives of MS in Special Education						
	1	2	3	4	5	6	7
Major courses (No.)	711, 721, 731,				711, 721		711, 721, 731
Compulsory Courses (No.)	712, 722, 732,				712, 722, 732		732
Elective Courses (No.)	742, 752, 762, 772, 782, 792	742, 752, 762, 772, 782, 792	782	762		782, 792	
Practical (Field and Lab) (C.No.)							

**Standard 2-2: Theoretical background, problem analysis and solution design must be stressed within the program's core material.**

The following table indicates the elements covered in core courses:

Elements	Courses
i) Theoretical Background	711-Research Methodology I, 721-Research Methodology II 731-Communication Skills 722-Basic Computer Skills 732-Writing a Research Paper
ii) Problem Analysis	712-Statistical Practices in Research 732-Writing a Research Paper 722-Basic Computer Skills 721-Research Methodology II
iii) Solution Design	711-Research Methodology I, 721-Research Methodology II 731-Communication Skills 722-Basic Computer Skills 732-Writing a Research Paper 732-Writing a Research Paper

**Standard 2-3: The curriculum must satisfy the core requirements for the program, as specified by the respective accreditation body.**

&

**Standard 2-4: The curriculum must satisfy the major requirements for the program, as specified by the respective accreditation body/council.**

The department follow HEC requirement for each Degree Program in MS & Ph.D. and approved by academic council, competent authority and statutory body.

**Standard 2-5: The curriculum must satisfy the general education, arts and other discipline requirements for the program as specified by the accreditation body.**

<b>Program</b>	<b>Math and Basic Science</b>	<b>Other topics relevant to the subject</b>	<b>General Education</b>	<b>Others</b>
BS-4 years	300.2, 400.1, 400.2 (ES)	400.1 (E), 612, 601	400.1 (E), 300.2 (P.S.)	

**Standard 2-6: Information technology component of the curriculum must be integrated throughout the program.**

One course is being offered (722)

**Standard 2-7: Oral and written communication skills of the student must be developed and applied in the program.**

Two courses are being offered on Communication Skills.(731,732)

**CRITERION - 3**

**LABORATORY AND COMPUTING FACILITIES**

### **CRITERION-3: LABORATORIES AND COMPUTER FACILITIES.**

#### **Department Library Facilities:**

The library of Special Education was developed in 1988-89. The library has a useful collection of Books on Special Education and related subjects for reference purposes. Like Psychology, Education etc. Nearly 2000 books are in the library and 600 Research Master's Thesis produced by the Students of the Department.

Many Research Journals are also available in the library Pakistan Journal of Special Education and other local journal. Many periodicals are also available on related subjects. The Department library also has 250 borrowed latest books from Dr. Mehmood Hussain Library.

Presently, the Department is planning to computerize the Department library.

#### **Computer Lab:**

The Department of Special Education lacks a well equipped computer laboratory, which to provide assistance in almost all aspects of the use of information processing facilities. However, the students are given some opportunities to develop and improve upon their skills in the computer laboratory. There is a lack of qualified and competent head in computer lab. A female is needed as instructor for this purpose because 99.9% students are female. There is also a need of more & latest computers.

#### **Venue and Timing:**

All academic programs are being conducted in the Department of Special Education, University of Karachi, during regular University teaching hours in morning and evening.

**Standard 3-1: laboratory manuals / documentation instruction for experiments must be available and readily accessible to faculty and students.**

Not Applicable

**Standard 3-2: There must be adequate support personnel for instruction and maintaining the laboratories.**

Not Applicable

**Standard 3-3: The University computing infrastructure and facilities must be adequate to support program's objectives.**

- i) **Computing Facilities** Available but not sufficient
- ii) **Multimedia** Available
- iii) **Website** The department has a link with the Karachi University website i.e., [www.uok.edu.pk/faculties/specialeducation/](http://www.uok.edu.pk/faculties/specialeducation/)
- iv) **Internet** Not available

**CRITERION - 4**

**STUDENT SUPPORT AND ADVISING**

#### **CRITERION-4      STUDENT SUPPORT AND ADVISING**

Students of the Department of Special Education have adequate support to complete the program in time and have ample opportunity to interact with their teachers of respective courses and receive timely advice about program requirements and career development.

**Standard 4-1:      Courses must have been offered with sufficient frequency and number for students to complete the program in a timely manner. Institute's Strategy for Course Offering**

The department offers following courses:

- **M.S. / M.Phil (Special Education)**
- **Ph.D. (Special Education)**

The timetable is strictly followed to complete the program well in time.

<b>Program</b>	<b>Classes per week</b>	<b>Practical classes per week</b>	<b>Research Guidance</b>
MS. in Special Education	6	-	6 Credit Hours
Ph. D. in Special Education	6	-	12 Credit Hours

**Standard 4-2:      Course in the major must be structured to ensure effective interaction between students, faculty and teaching assistants.**

As per specialization of the teacher. (Course allocation is made in the meeting of the Faculty members).

**Standard 4-3:      Guidance on how to complete the program must be available to all students and access to academic advising must be available to make course decisions and career choices.**

- The Chairperson of the Department nominates a faculty member as 'Students Advisor' who is available to all students for course decision and career choices. The student Advisor and the Chairperson help the students in providing information to the students who have recently passed out about the career opportunities available for them. Besides, the department's assistance, the University also has a programme of Guidance and Counseling for the students.
- The Chairperson places on the Notice Board the opportunities regarding membership in technical and professional societies.

**CRITERION - 5**

**PROCESS CONTROL**

## **CRITERION-5: PROCESS CONTROL**

### **Standard 5-1: GENERAL RULES AND REGULATIONS:**

1. A student shall be assigned an enrollment number for identification throughout his / her stay in the University.  

<b>For MS</b>	Two years after B.S.
<b>For Ph.D</b>	Two years after M.S.
2. However a student unable to complete his / her degree requirement within the validity of his / her enrolment, will have to revalidate / extend / his / her enrolment for not more than 2 years by paying a prescribed fee with the permission of Chairperson and Dean.
3. A student who wishes to join the University after a break shall have to get new enrollment in the University with the Permission to Chairperson and Dean.
4. Extension of re-enrolment will be allowed by Vice-Chancellor on the recommendation of Dean & Chairperson as last chance for those students who are short of aggregate / short of CGPR of fail in a maximum of two courses only.
5. In case of calculation errors in total marks submitted earlier, the correction may be incorporated by Semester Examination Section on the production of certified photocopy of the answer script and other relevant material duly attested by Chairperson and the Dean. No application for such rectification shall be entertained by Semester Examination Section after 15 days of the declaration of official result by the University.
6. A student who fails even once in any paper or repeats a paper because he/she did not take it in the first chance, will forfeit his/her right to any position in the final examination.
7. A student who is desirous of admission to a degree programme and has already passed some of its courses or all courses of a few semesters from any other institution, then must apply for exemption in those courses, through equivalence committee before admission. If exempted, he / she may apply for admission in the forthcoming academic year on merit.

### **PROMOTION RULES:**

1. Students shall not be promoted to the next higher class if he / she fails to clear 80% of courses.
2. Admission to the next degree class shall not be granted without fulfilling the basic entry requisites.
3. A student repeating a course shall not be given a rank in order of merit. -'- -
4. Students' Absence / Detention on account of short attendance shall be deemed as failure in that course.

### **FAILURE / REPETITION:**

1. If a student fails in theory he / she shall be declared to have failed in that course. However, he / she shall be permitted to clear that part of the course in the subsequent regular examination as a repeater.
2. If a student in unable to complete the attendance requirement in any course, he / she shall be required to attend the entire course whenever it is offer again. He / she will become eligible for taking the examination in the particular course

only after he / she has completed it attendance requirement. Such a student shall pay a prescribed fee for attending the classes as casual student.

3. If a student, after completing the attendance requirement, does not appear or fails in the terminal examination of a course, he / she will be allowed to reappear not more than twice in the terminal examination fee as repeater student.
4. A repeater student who fails to clear a course / courses in three regular, available chances will not be eligible to re-appear. He / she may be allowed as a last chance to attend the classes of the course / courses, he / she failed to clear. Permission to appear in the examination will be subject to completing attendance requirement.

#### **ATTENDANCE:**

1. An attendance of 75% is necessary in each course for a student to be eligible to take the Terminal Examination in the relevant course.
2. Attendance shall be counted from the date of starting of the Semester and not from the admission date.
3. Students called for National duty such as participation in Olympics, National Games, inter-varsities, and going perform Haj would be given exemption in attendance for the actual period of national duty / Haj. These cases would be decided individually.
4. Attendance shall be marked as per cr. Hrs. of a particular course for both theory and lab.
5. Original attendance Register is to be submitted to the Chairperson for record and future reference.

#### **CANCELLATION OF ADMISSION / RE-ADMISSION:**

1. If a student admitted in Hons. 1<sup>st</sup> year Master (Prev.) from the commencement of the semester fails to attend the class for the 15 days, his / her admission shall be stand cancel.
2. If a student absent himself/herself for 15 consecutive days during the semester without any information, his / her admission shall be cancelled. Re-admission would grant in the same semester by the Dean on the recommendation of the Chairman if he / she can complete his / her attendance requirement.
3. Utility charge Rs. 500/= Paper will be charged from all those students who are allowed to attend classes as per request or as 3<sup>rd</sup> time failed case.
4. If a student is unable to continue his / her studies during his / he studies, his / her admission will be treated as cancelled. He / she may however be re-admitted after the payment of prescribed fee in the same semester where he she had left.
5. Permission would be granted by Dean on the recommendation of the Chairperson.
6. He / she may be allowed three chances to pass / get promoted in the next higher class if he / she completed the attendance requirements.

#### **UNFAIR MEANS:**

All the cases of unfair means will be forwarded to the Committee appointed for the purpose and the matter will be dealt with in accordance with the rules and regulations of the University.

## **INTERPRETATION OF SEMESTER RULES:**

The decision of the Dean's Committee would be final for the interpretation of Semester Rules. In case of any appeal Dean's Committee would **dispose** if off on its merit.

**Standard 5-2: The process by which students are registered in the program and monitoring of students progress to ensure timely completion of the program must be documented. This process must be periodically evaluated to ensure that it is meeting its objectives.**

As per University's Regulations.

**Standard 5-3: The process of recruiting and retaining highly qualified faculty member must be in place and clearly documented. Also processed and procedures for faculty evaluation, promotion must be consistent with institutional mission statement. These processes must be periodically evaluated to ensure that it is meeting with its objectives.**

HEC rules with approval by the University Syndicate are applied for appointment.

### **Appointments / Promotion Procedure Basic Pay Scale (BPS)**

Appointments are based on HEC rules given below:

#### **A. Lecturer (BPS-18): Minimum Qualification**

Master's Degree (first class) in the relevant field with no 3<sup>rd</sup> division in the Academic Career from HEC recognized University / Institution. During the next two years (i.e., until June 30<sup>th</sup>, 2008) if no candidate is available without 3<sup>rd</sup> division in the academic record, then the University may forward the case for appointment of a selected candidate to the HEC for consideration and approval.

No experience required.

#### **B. Assistant Professor (BPS-19) Minimum Qualification**

Ph.D. in the relevant field from HEC recognized University / Institution, No experience required.

OR

Master's Degree (foreign) or M.Sc. (Hons.). (Pakistan) in the relevant field from HEC recognized University / Institutions, with 4 years teaching / research experience in a recognized university or a post-graduate Institution.

### **C. Associate Professor (BPS-20)**

#### **Minimum Qualification**

Ph.D. in relevant field from HEC recognized University / Institution.

#### **Experience**

10-years teaching / research in HEC recognized University or a post-graduate Institution or professional experience in the relevant field in a National or International Organization.

**OR**

5-years post Ph.D. teaching / research experience in HEC recognized University or a post-graduate Institution or professional experience in the relevant field in a National or International Organization.

#### **Minimum Number of Publications**

8 research publications (with at least 2 publications in last 5 years) in internationally abstract Journals recognized by the HEC or in journals approved by University of Karachi..

### **D. Professor (BPS-21)**

#### **Minimum Qualification**

Ph.D. from HEC recognized Institution in relevant field.

#### **Experience**

15-years teaching / research experience in HEC recognized University or post-graduate Institution or professional experience in the relevant field in a National or International Organization.

**OR**

10-years post Ph.D. teaching / research experience in a recognized or post-graduate Institution or professional experience in the relevant field in a National or International Organization.

#### **Minimum Number of Publications**

12 research publications in internationally abstracted Journals recognized by the HEC.

#### **Bases for Appointments / Promotions**

Four main areas where a candidate is evaluated for Tenure Track Scheme:

- Teaching
- Research
- Service
- Personal characteristics

#### **General Criteria for Appointment on TTS**

All faculty members in any discipline are eligible to apply for appointment provided they fulfill the following minimum eligibility conditions;

**A. Assistant professor  
Minimum Qualification**

Ph.D. from a recognized University with excellent communication / presentation skills.

**B. Associate Professor  
Minimum Qualification**

Ph.D. with 6 years post-Ph.D. teaching / research experience in a recognized University.

**Minimum Number of Publications**

10 research articles published in journals having impact factor.

**C. Professor: Minimum Qualification**

Ph.D. with 11 years post-Ph.D. teaching / research experience from a recognized University.

**Minimum Number of Publications:**

15 research articles published in journals having impact factor:

**Faculty evaluation Process**

University rules are adopted.

**Standard 5-4: The process and procedure used to ensure that teaching and delivery of course material to the students emphasizes active learning and that course learning outcomes are met. The process must be periodically evaluated to ensure it is meeting its objectives,**

1. Process to ensure teaching and delivery of course material:
  - a) Time table is strictly followed by all faculty members.
  - b) Chairperson of the department frequently get feedback from the students during the semester.

**Standard 5-5: The process that ensures that graduates have completed the requirements of the program must be based on standards, effective and clearly documented procedures. This process must be periodically evaluated to ensure that it is meeting its objectives.**

- a) The department ensures that the graduates are punctual and fulfill the attendance requirement i.e., 75%.

**CRITERION - 6**

**FACULTY**

## CRITERION-6 FACULTY

Faculty members of the department of Special Education are active in teaching and research has the necessary technical depth to support the program. Teachers attempt to cover the curriculum adequately and in case of need hold extra classes.

**Standard 6-1: There must be enough full time faculty who are committed to the program to provide adequate coverage of the program areas / courses with continuity and stability. The interest of all faculty members must be sufficient to teach all courses, plan, modify and update courses. The majority must hold a Ph.D. degree in the discipline.**

The Regular Faculty of the Department is all Ph.D. Most of the faculty members are retired and there is need of hiring new faculty for which the selection board is needed to be arranged on urgent and important basis.

### List of Teaching Faculty

Regular Teachers	
1. Prof. Dr. Shahida Sajjad	Professor
2. Prof .Dr.Shagufta Shahzadi	Professor (On leave)
3. Dr.Nasir Sulman	Associate Professor
Teachers on Contract	
1. Dr. Aqila Khatoon	(w.e.f. January-2011
Fulltime Cooperative Teachers	
1. Dr. K.F. Viqar Hashimi	
Visiting Faculty	
1. Prof. Dr. Anjum Bano Kazimi	

**Standard 6-2: All faculty members must remain current in the discipline and sufficient time must be provided for scholarly activities and professional development. Also, effective programs for faculty development must be in place.**

**A) Faculty members of department of Special Education are considered current in the discipline, based on the following criteria:**

- a. All teachers meet the HEC criteria for appointment in the respective cadre,
- b. Teachers generally participate in seminars, conferences at National / International levels,
- c. Teachers take interest in teaching and involve themselves in research.

**B) Faculty Development program at department level.**

Teachers are there as resource person. University of Karachi has started Faculty Development Program with the help of HEC. Under this program non-Ph.D. faculty are given opportunities to improve their qualification from technologically advanced countries of the world. Further, Post-Doc facilities will be available to the faculty holding Ph.D. degrees. The University also helps to organize professional activities such as workshops, seminars and conferences.

**Standard 6-3: All faculty members should be motivated and have job satisfaction to excel in their profession.**

To help the faculty of department of Special Education in their progress to excel in their profession, the department and institution has devised the following strategies:

- a. Good working environment exists for research on social issues and social responsibilities. The faculty has good relationship with NGOs and social institutions in the country and abroad.

**CRITERION - 7**

**INSTUTIONAL FACILITIES**

## **CRITERION-7 INSTITUTIONAL FACILITIES**

Institutional facilities, including library, class rooms and offices are adequate to some extent to support the objectives of the program but still need improvement.

**Standard 7-1: The Institution must have the infrastructure to support new trends in learning such as E-learning.**

### **Computer and Internet Facility**

The Department of Special Education lacks a well equipped computer laboratory, which to provide assistance in almost all aspects of the use of information processing facilities. However, the students are given some opportunities to develop and improve upon their skills in the computer laboratory. There is a lack of qualified and competent head in computer lab. A female is needed as instructor for this purpose because 99.9% students are female. There is also a need of more & latest computers. There is lack of internet facility for student.

**Standard 7-2: The library must possess on up-to-date technical collection relevant to the program and must be adequately staffed with professional personnel.**

#### **a) Main Library**

Faculty members and students of the department are allowed to use the main library even after normal working hours. The main library provides the following services:

- a. Course books
- b. Digital library having access to journal and E-books

#### **B) Seminary Library**

It is a fact that libraries play a significant role in the personal and intellectual development of students in every academic institution. The Department of Special Education gives much importance to academic excellence. The seminar library provides the students with over 1800 books, journals, magazines, and other national and international periodicals. Besides, the University has central library, which is the largest University Library in Pakistan. The students also can avail all the facilities provide by the central library of the University.

**Standard 7-3: Classrooms must be adequately equipped and offices must be adequate to enable faculty to carry out their responsibility.**

#### **Classrooms**

The department has white boards, black boards, overhead projector and multimedia. It however need more class rooms to cater the need of it's under graduate and graduate student.

**CRITERION - 8**

**INSTITUTIONAL SUPPORT**

## **CRITERION-8      INSTITUTIONAL SUPPORT**

Although there is a departmental support and some financial resources for the program but more resources are required is sufficient enough to provide an environment in which the program can achieve its objectives and retain its strength.

**Standard 8-1: There must be sufficient support and financial resources to attract and retain high quality faculty and provide the means for them to maintain competence as teacher and scholars.**

The financial resources for regular purchase of books are very limited which needs to be enhanced. The major financial source of the Department is the University of Karachi which allocates budget for the Department, whereas the University relies on HEC funding. Further requirements are given in implementation plan.

**Standard 8-2: There must be an adequate number of high quality graduate students, research assistants and Ph.D. Students.**

(List enclosed as Annexure-I)

**Standard 8-3: Financial resources must be provided to acquire and maintain library holding, laboratories and computing facilities.**

The University of Karachi provides financial resource to maintain library and computing facilities. The department, however, is not having the separate fund of its own to maintain and upgrade its library and computing facilities.

## **FACULTY CVs**

**DR. SHAHIDA SAJJAD**  
**Resume'**

A-12, Block-4, Gulistan-E-Jauhar, Karachi-75290  
Contact: 92-2333-2133134 / 92-21-4660220

## PROJECTS

1. **International Project on** Strengthening Regulation, Reinforcement & Governance of Non Banking Financial Market- A Project of Asian Development Bank & Securities Exchange Commissions of Pakistan (SECP) from 2004- 2006. As a Domestic Training Specialist from Pakistan, I was assisting International Training Experts in :
  - Collecting and analyzing data to assess the country's current training capacities.

- Determine training needs, measure the magnitude of required training by types of expertise, geographic location and other criteria, preparing reports etc.
  - Conducting and organizing workshops on various Management skills.
2. **International Project on Promoting Gender Equality in Private Sector** – A project of Employers’ Federation of Pakistan (EFP) & International Labor Organization (ILO). Participated as Resource Person for development of leadership skills in female of various business and community leaders from National & Provincial Assemblies and different organizations.
  3. **Management Training** – A Project of Sindh Primary Education Development /World Bank/ODA. Program. I have been attached with this project from 1994-1997 and conducted workshops for Education Officers.

### **ACHIEVEMENTS**

I have a number of achievements in my credits during my 30 years of passionate carrier: glimpses of achievements are appended below:-

- Developed the syllabus of Ph.D and MS programme in the Department of Special Education University of Karachi.
- As a team member/ Faculty member launched first time in the history of Pakistan, the Masters’ Degree Program in Special Education at University of Karachi.
- Authored: ever first Book in national language (Urdu) on Audiology “Samaatiat”: first edition 23 November 1995. Pages 112.
- Trained more than 300 teachers of various Pakistani Universities.
- Being a certified Professional Trainer, imparted training to more than 13000 persons in corporate and financial sector.
- Facilitated more than 500 sessions
- Contributed 28 articles in international and local publications.
- Presented Pakistan/University of Karachi at International Forums in USA, France, Switzerland, Italy, Japan, Hong Kong, India, Bangladesh and UAE.
- Received “Commendation letter” from Georgia State University, USA.
- Nominated by Georgia State University for “The Distinguished Research in Teacher Education Award 2007”
- Achieved “Incentive Award” from University of Karachi.
- Received Shield from Deaf Education Welfare Association (DEWA) in recognition of my services in Special Education.
- Trained more than 14 batches of Teachers in the Department of Special Education University of Karachi.
- Supervised more than 45 students of Master of Special Education University of Karachi.

### **MEMBERSHIP**

- Currently Vice President, Pakistan Chapter, International Public Management Association (IPMA) for Human Resources USA.
- Professional Membership of International Association of Special Education (IASE) USA.
- Member of Trainers Resource Group in Karachi.
- Member of Productivity Club of Employers Federation of Pakistan.
- Member of National Tourism Human Resource Development Committee (NTHRDC). 1997-2000.

### **CO-CURRICULAR ACTIVITIES**

- Appeared as guest speaker on Geo & Indus Television in programs “Career on line” & “Career Counseling”.
- Assistant Warden in Islamia English School, Abu Dhabi, U.A.E. 1987.
- Member of the Executive Committee of the Students’ Union. 1971-72. Government College for Women, Sharah- E- Liaquat.
- As a student, participated in debates, dramas, quiz and drawing competitions.
- As an active member of Students’ Union, organized student’s functions.

### **INTEREST**

Travel and Interacting with the people, listening to music.

Reading: I believe reading about anything that comes in the way from magazines to newspapers to brochures, is an important source of learning and excitement.

### **PASSIONATE**

I am passionate to be a “**HELPING HAND**” for people on this planet.

**BIOGRAPHICAL SKETCH**

NAME	POSITION TITLE
Shagufta Shahzadi, Ph.D.	Professor

eRA COMMONS USER NAME (credential, e.g., agency login)

Shagufta

EDUCATION/TRAINING (*Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable.*)

## 7. RESEARCH PROJECTS:

1. Principal Investigator of the project, entitled “Development of an E-Learning Program in Special Education,” funded by Higher Education Commission, Islamabad in the year 2005. During the project, following activities were performed:
  - Developed five modules on Autism
  - Developed web site (URL [www.delp.edu.pk](http://www.delp.edu.pk))
  - Registered participants from various cities of Pakistan
  - Offered online video recorded lectures on each module delivered by Prof. Dr. Amin Gadit (Hamdard Medical College), Prof. Dr. Zahid Bashir (Aga Khan Medical University, Dr. Anjum Kazimi (Department of Special Education), Dr. Shahida Sultana (Pediatrician) & Dr. Shahida Sajjad (Department of Special Education).
  - Launched the course
  - Used messenger and email to provide guidance
  - Evaluate participants progress through assignments on each module
  - Conduct final examination
  - Evaluate project’s effectiveness
2. Provincial Coordinator of the project entitled “Survey of Facilities for Special Children in Pakistan”. A study Conducted by Department of Special Education, University of the Punjab, funded by Directorate General of Special Education, Ministry of Social Welfare & Special Education, Govt. of Pakistan. During the project, performed following jobs:

Collect data from all institutions/centers of special education working in the Sindh province.  
Submit final report on ‘Facilities Available to Special Children in Sindh Province’  
Submit a report on ‘Situation of Teachers Training Program in Pakistan’  
Submit a report on ‘Curriculum for Special Children in Pakistan’

3. Working as Principal Investigator in the Project of “Dissemination of Material for the Parents of Special Children” funded by: Research Facility Center, Faculty of Arts, University of Karachi.
4. Worked as Project In-charge, titled, “Field Based Teachers’ Training Program in Northern Areas of Pakistan”. A Project of Hamdard University with the collaboration of Aga Khan Education Services, Pakistan, North (AKESP,N) Funded by European Union.

During the project, the following responsibilities fulfilled:

- a. Module Development
  - b. Team Leader to conduct Orientation Workshops at Gilgit
  - c. Regular Visits to Northern Areas Pakistan (almost monthly)
  - d. Conducted Teaching Practice in all Five (now six) Districts
  - e. Supervised Individual Projects (30 Students)
  - f. Preparation of Final Report
5. Consultant in the project “Information and Communication Technologies (ICTs) Assisted Learning Tools for Deaf in Pakistan”, conducted by SDNP (UNDP), a part of IUCNP’s ECK Group , funded through the Pan Asia ICT R&D Grants Program Award. During the project, following assignments were completed:

- First Phase Collated Data Sets of Sign Language Previous Work in Pak. Collection, from January – March 2003, Report Published and available on [www.special.net.pk](http://www.special.net.pk)
  - Second Phase Consisted of New Sign Development, its Micro Study Testing & Preparation of CD ROM, from May – August 2003, Report Published and available on [www.special.net.pk](http://www.special.net.pk)
  - Third Phase Consisted of Macro Level Testing at Karachi, Islamabad, Quetta & Lahore and Development of a Website, from September – November 2003, Report Published and available on [www.special.net.pk](http://www.special.net.pk)
6. Conduct Epidemiological Study of Childhood Disabilities in Baba Island, Karachi. A Project of Department of Special Education, University of Karachi, in collaboration of Community Health Sciences, Department of Aga Khan Medical University, Karachi.
  7. In 1992, prepared 'Research Instruments' for the Assessment of Children with Mental Retardation with the Collaboration of UNICEF, Pakistan. The instruments are listed below:
    - Form 1: Screening of Special Children
    - Form 2: Case History Form
    - Form 3 (A): Questionnaire for Parents of Children with Mental Retardation not Attending Special School
    - Form 3 (B): Questionnaire for Parents of Children with Mental Retardation Attending Special School
    - Form 4: Medical Assessment Form
    - Form 5: Adaptive Behavior Scale
    - Form 6: Measurement of Cognition & Personality
    - Form 7: Performa for Assessment Report
    - Form 8: Training Program for Children
    - Form 9: Parents Satisfaction Questionnaire
  8. Prepared Curriculum Based Assessment for Mentally Retarded Children.

## **8. ADMINISTRATIVE/PROFESSIONAL ACTIVITIES**
